Dear Sir ,

This is to inform you that your Mr. Haresh Panchal & Mr. D. Senthilkumar ( M/s. Essem Marketing Services-Coimbatore) along with your team completed commissioning of the Vamatex Servomatic-108 Sectional Warping Machine and VM-203 Trolley Type Creel.

We have observed the performance of the machine for 35 Beams with warps varying from 1000 Denier to 6000 Denier of Polyester and Nylon material. We have found the quality of the warps to our satisfaction and in accordance with our need.

We also request you to keep our machine software updated as and when you make any advancement for improving the machine performance.

Thanking you,

Yours faithfully,  
for SRF LIMITED,
